The last-named team is Home Team. The Home Team for the first game lines the field. Failure to line the field will result in forfeiture of the game.

Each home team will provide one new Optic Yellow 11 inch .44 cor ball with a maximum compression of 400. The visiting team will furnish a good used ball with the same specifications.

A team must have at least 9 players to start and finish a ball game. A 10th player can be added to the bottom of the batting order after the start of the game. If the 10th player is not added, there will be an out automatic out recorded in that batting slot.

A team can insert one or two additional hitters into its line-up before game time. The batting order must remain constant; however, any ten of the eleven or twelve players can take a defensive position throughout the game.

Although Softball is a non-contact sport, participants are warned that the possibility for injury does exist.
