### **NEW BUSINESS**

Chairperson Elizabeth Batchelor began by asking if members had come up with Goals for the Board for 2015.

Mr. Pryor said that he felt a good goal would be to get more city council members to attend our meetings. He said it should be a requirement that at least one member attended each meeting.

Mrs. Batchelor also mentioned that Elder Laws put in place many years ago are not working now. There have been many changes in technology and other areas that haven't been addressed. She said we need facts about the senior citizens in our area. What they need, want, etc. She also mentioned the need for a task force made up from different areas of the community such as Banking, law enforcement, Realty, etc.

Both Wendy Williams and Robert Smallridge spoke about the possibilities of surveying the community to answer those questions. Mr. Smallridge mentioned partnering with the University of Tennessee to help in this area as a possibility.

Also Mr. Pryor discussed the need for information about the senior center to be in the Oak Ridger on a more regular basis.
