RECENT ACTIONS OF CITY COUNCIL
Elizabeth Batchelor mentioned that City Council is waiting for Property taxes appraisal information from Roane County to set the FY16 Budget. This looks to not be likely until at least September.

**OAK RIDGE SENIOR FOUNDATION REPORT**

None

**UNFINISHED BUSINESS**

Elizabeth Batchelor mentioned that two of the main items folks asked about at the Senior Center booth at the Secret City Festival were line dancing and computer classes. She also mentioned that anything to do with Senior Center location will need to be put on hold until the budget is set and approved by City Council.

Regarding the Senior Advisory Board bylaws, Marty Adler-Jasny brought a motion to revise the board bylaws in the following manner and send back to City Council for approval:

- Under section III, Powers and Functions, the words “intergenerational interaction” be removed along with item g. under this same heading.

These changes are to be made so as to keep the Senior Advisory Boards focus on the needs of Senior Citizens. The motion was seconded by Hal Schmitt and passed unanimously by board members present.

**NEW BUSINESS**

Elizabeth Batchelor spoke about ways and ideas to build community support for a new and/or refurbished senior center. She asked that the board members bring ideas to the next meeting in August.

Board member LeRoy Gilliam took a few minutes to discuss an idea for fund raising for a new senior center. He designed a can that could be used at area businesses to collect donations. The foundation would have to come up with procedures for collecting the cans at certain times.
