UNFINISHED BUSINESS
Chairperson Elizabeth Batchelor continued the discussion about how to communicate with senior citizens and reviewed the areas already addressed such as churches and neighborhood watch. She also mentioned events as a way to give out information. She said she would like to have a dance possibly in February and a Senior Games Day at some time in the spring. She also mentioned a movie coming out next month called the “The Intern” that has age related issues in its plot. She wanted to ask the local theater to donate an amount per ticket to the Senior Foundation.

Board member Wendy Williams mentioned mass mailing as an option to getting information out to seniors but was not sure of the cost. Also mentioned were local TV stations 12 and 15.

NEW BUSINESS
Chairperson Elizabeth Batchelor showed a diagram of Bissell Park at the Civic Center with her idea of where a senior center could be located at that site. At this point Senior Center Manager Linda McGhee followed up with the goal mentioned during the manager’s report. She asked if committees could be formed to work on the different options that are available such as moving the center to a new location, purchasing the current location, or building a new location as ideas. Board member Delores Moyer said that surveying would be a good means of acquiring information from the community. Having booths at activities such as the Party in the Park, Secret City Festival, as well as mailing could reach people. Board Member Robert Smallridge mentioned the need to have concrete obtainable action steps to be taken seriously by City Council.

Delores Moyer made a motion to change the Board’s monthly meeting time to 10:00 a.m. After some discussion, a time of 9:30 was agreed upon with a unanimous vote of present board members.

ANNOUNCEMENTS
Party in the Park will be October 17th from 2 p.m. to 6 p.m. at Bissell Park. The Senior Center will have a table and Delores will help to come up with a survey to give out to the public.
ADJOURNMENT
