*Did you know that gesso is a very versatile medium? It's not just for painters! These tags will use gesso to create texture and resist, and then show it off with the vibrant colors of Tim Holtz Distress Stains (which are fabulous to work with!). We will stamp with gesso, add color to gesso, use gesso with stencils, and then use the Stains to add color to everything else! To finish it all, we will "fancy" them up with fun papers and flowers. Come play with us! This is a low-stress, fun learning experience. It is ART THERAPY!*

Students will need to bring to class - adhesive, scissors, water spritzer/bottle, nonstick craft mat, heat tool, and at least 3+ colors of Tim Holtz Distress Stains. You will want the stains to be 3-4 colors that you like together to be happy with your results as we will be blending the colors. You may share your supplies/tools with a friend but you will want immediate access to them during the class.

\*We will have all the supplies available at our booth for purchase as well, but to ensure you have what you need to enjoy class, feel free to let us know ahead of time by sending us a message [here](#) so we will have enough supplies on hand. Never tried Distress Stains? Get started with our Add-On Kit of the City Chicks 3 favorite colors for \$15!!

## Art Therapy: Distress Tags by Sara Preston

Are you Distressed?

Distress Ink-ed Tags class!! This class explores the really fun and beautiful ways you can use Tim Holtz's Distress Inks. We will make 3 colorful, gift-able tags...and get inked doing it (because it wouldn't be therapeutic if you didn't get a little dirty!). What will we be doing? Coloring dry and heat embossed images, coloring ribbon to match, tie-dyeing a tag using a mopping technique, learning the trick to the "spritz-and-flick" technique, highlighting images by building a colorful background, ghost stamping, and blending, blending, blending! Come play with us! This is a low-stress, fun learning experience.

It is ART THERAPY!

Students will need to bring to class - adhesive, scissors, water spritzer/bottle, nonstick craft mat, heat tool, blending tool and foams, and 4+ colors of Tim Holtz Distress Ink Pads. You will want the ink pads to be 4 colors that you like together (including a brown) to be happy with your results, as we will be blending the colors. You may share your supplies/tools with a friend but you will want immediate access to them during the class.

\*We will have all the supplies available at our booth for purchase as well, but to ensure you have what you need to enjoy class, feel free to let us know ahead of time by sending us a message [here](#) so we will have enough supplies on hand.
