Ever wondered what you would look like as a fairy? Find out in six, one-hour sessions this fall by making a collage of yourself with pressed flowers, leaves, and other objects from nature, along with watercolor and drawing, to create a scene where you are the fairy. These images can be framed and/or saved digitally so you can print them on greeting cards, post cards, magnets and more!

\$75 all supplies included.

For ages 10-14
