I. TEAM ROSTERS
   A. Rosters are limited to 25 members per team.
   B. In order to be eligible for a game, new players must submit the roster/medical release form by 2:00 p.m. on game day. Players turning a waiver in later than 2pm will not be allowed to play for that night’s game unless arrangements have been made prior to 2pm.

II. RELEASE FORMS
   Everyone who participates in league play, including non-playing managers must sign an Oak Ridge Recreation and Parks Roster and Medical Release Form before he or she participates. These forms serve as a notice of potential injury and as a hold harmless form. The hold harmless agreement releases the Department and any other person connected with league play of any responsibility in case of an accident. These forms are available on the Department’s website or at the Civic Center. Players may also sign the online form that is given to Coaches upon team registration.

III. ELIGIBILITY

   a) be 18 years of age.
   b) be on the official roster.
   c) be able to verify identity.
   1. All players utilized by a team are required to produce photo identity verification. If a player refuses to show his or her I.D., the game can be protested and if upheld, will be declared a forfeit. If the issues can be resolved on the field, the umpires should attempt to do so. If the issue is not resolved, a protest must be filed and normal review followed.
   2. In the event a protest is filed, the player in question must sign the official game sheet.

IV. UNIFORMS (Enforced May 4)
   a) Uniforms are encouraged to have 6” numbers.
   b) No two players may wear the same number during a game.

   5. Clothing may not display profane or sexually explicit language or graphics.

Players unable to conform to the uniform policy after the May 4th deadline will not be allowed to take the field until he or she is able to do so. If a player is unable to play due to the uniform policy and it drops the team below nine, the team will have to forfeit.

V. LEAGUE RULES

Leagues will be governed by the playing rules of the 2020 USA /ASA Softball guide. Exception: Local league rules will supersede USA/ASA rules. (www.usasoftball.org)

A. Pre-Game. No infield or pepper will be permitted before any game. No one is to be on the fields after they have been floated and/or lined for the games that day.
B. Game time is forfeit time. The first game of the day only will be given a 10 minute grace period before a forfeit is called. The game clock will run during the grace period. The game must start on time if each team has at least 9 players. A 10th player may be added at any time during the game. An 11th player cannot be added once a game has started. If a 10th player is not added, there will be an automatic out recorded in that batting slot.
C. A written, legible line-up must be given to the scorekeeper 5 minutes prior to game time. Names of additional players must also be submitted at this time. Changes in the line-up are permitted until game time. A player is considered officially in the game if his or her name is on the scoresheet at game time.
D. The official clock will begin at scheduled game time. If the preceding game forces a delay, the game clock will begin once the home team takes the field for the first time.
E. All teams are expected to be on the field at their appointed game time or a forfeit will be called. Loitering in the parking lot at game time will be cause for a forfeit.
F. Equipment. Both teams are responsible for supplying one new optic yellow 12” (11” in Women’s Division), top grade, USA/ASA stamped .52 core, 300 compression ball AND one used ball of the same core/compression. The stamp (including core/compression) MUST be visible or the used ball will not be accepted. Balls must be presented to the scorekeeper prior to the game with your team name written on them. Both teams will hit the same ball. If a team hits a ball out of play and it does not come back in or a ball is ruled unplayable by the umpire, it is that team’s responsibility to return a ball of the above specifications to the scorebooth to be entered into play.
G. USA/ASA slowpitch softball stamped bats not appearing on the illegal bat list are approved for league play. All bats on the USA/ASA non-approved list are prohibited. Any player found attempting to use an illegal bat will be ejected from the current game as well as the next scheduled game for unsportsmanlike conduct. (See: City rules 8.A)
H. Game play. No more than two coaches allowed on the field while his or her team is batting. Players not currently in the game must remain in the out of play areas.

K. A new inning begins once the final out of the previous inning has been made.
L. All leagues will be playing with a starting one and one (ball/strike) count with one foul.
M. In the first inning, pitchers will be allowed five (5) warm-up pitches. After the 1st inning, the pitcher will be allowed one (1) warm-up pitch. Any time a team changes pitchers, he or she will be allowed five (5) warm-up pitches.
N. Base running. Batter-Runners attempting to beat out a throw at first must touch the secondary (orange) bag. If the batter-runner uses the main (white) bag, he or she will be called out. All other scenarios, the runner may tag the main bag. When tagging up on a fly ball or returning to first base, the runner must use the main bag.
O. Stealing. Although USA/ASA Softball allows stealing, we will not allow stealing for the 2020 seasons.
P. Courtesy runners. In men’s and women’s league play, a team may use only one courtesy runner per inning.
Q. Run rule. The game will be called if a team is ahead by twenty (20) runs at the end of the 3rd inning, fifteen (15) runs after the 4th inning or ten (10) runs after the 5th and beyond. This rule includes tournament play.
R. Home Run Rule. All leagues will be allowed five (5) homeruns (over the fence) per game. All homeruns over five will be counted as an out.
S. Shorthanded rule. If a team begins play with the required number of players as listed (10), that team may continue a game with one less player than is currently in the lineup whenever a player leaves the game for any reason other than ejection. There will be an out for each missing player in the batting order.

T. **Injuries.** If an official believes an injury has occurred requiring medical attention, play will be stopped immediately. Before resuming the game, runners will be placed at the officials' discretion on base where they would likely have advanced should play have continued.

U. **Extra innings.** We will be using the International Tie-Break Rule. If the game is tied at the end of one hour or after seven innings (whichever comes first), the last batter of the previous inning will take 2nd base to start the new inning. This process will be used during every extra inning until a winner has been determined.

V. **Out of play area.** Yearwood will have lines running adjacent to each foul line which will represent the field of play. While not actively in a game, players should not be in the field of play (this includes warming up). Please note: if the ball crosses the out of play line, it will become dead.

VI. **SUPPLEMENT FOR CO-ED LEAGUE**
A. There will be no switching of infield and outfield positions during an inning, with the exception of the pitcher (affecting only two players). During an inning, infielders may not switch with outfielders and vice versa. Note: This includes teams playing with only 9 players.
B. If an additional hitter is used, there must be one man and one woman. The team can then bat twelve (12) players. Additional hitters may not be added to the line-up after the game has started.
C. Batting order must alternate sexes.
D. One male and one female courtesy runner may be used per inning. The courtesy runner must be of the same gender as the player coming off the field.
E. **MALE BASE ON BALL:** Any walk to a male batter will result in a two base award.
   a) **Provision:** ONLY with two outs, the female batter has the option to walk or bat if the male in front of her walks.

VII. **TOURNAMENT**
A. **Seeding.** Tournament seeding will be determined by win-loss record and the bracket will be determined by the number of teams. Single elimination format. In the event of a tie, seed will be determined by:

      1. Head-to-head record (amongst all tied teams)
      2. Head-to-head score (amongst all tied teams)
      3. Total runs scored for season
   c) **Three or more teams** (where team has less head-to-head games than the others)
      1. Total runs against for the season.
      2. Total runs scored for the season.
      3. If two teams are still tied, revert back to VII (A)a(1)

C. All tournament games, including the championship game, will include a one hour time limit.

VIII. **FORFEITS**

B. Failure of an ejected player to leave the premises within five (5) minutes (out of sight and sound) will result in his or her team forfeiting the game. The premises includes the general area: playing field, parking lot, bleachers, and a 100 ft. radius of the fences.
C. A team must have nine (9) players to start a game. If a team of 9 eligible players cannot be fielded at the scheduled starting time, the team ready to play will win by forfeit. There will be only be a TEN (10) minute grace period for the first game of the day. Note: Game clock will run during grace period.
D. Any team using an ineligible player will forfeit all games in which that player has played.
E. Any team found to be playing with an illegal player after game play has begun will forfeit the game. The offending player will be suspended for one week per violation from all play in leagues and tournaments organized by the Oak Ridge Recreation and Parks Department.

F. An official, scorekeeper or the opposing team’s coach, manager or captain may request verification of the eligibility of a player. See Rule 3c.

G. Any league team to forfeit three (3) games during the season (including makeup games) will not be allowed to participate in the league tournament.

H. Games ending in a forfeit during pregame will result in a score of 10-0.

I. Appeals. Managers, coaches, and players may request an appeal of a judgment call made on the field. The request must be made before the next pitch and can be made to either umpire. This request is granted at the umpire’s discretion, but umpires reserve the right to deny this request. If an appeal is granted, both umpires will discuss the call and make a final decision based on their meeting. The clock does not stop during an appeal conference between umpires. Umpires may uphold the call based on their conference, as an appeal doesn’t automatically ensure a call reversal. The decision made as a result of the appeal are final, and additional discussion or argument will be considered unsportsmanlike conduct.

IX. UNSPORTSMANLIKE CONDUCT POLICY

Before, during, and after game play, players are expected to be respectful of other participants (including family/children that come to watch). Unsportsmanlike conduct will not be tolerated. Any official or the league supervisor may issue such warning. Any player that receives two warnings for unsportsmanlike conduct during a single game will be ejected for the remainder of the current game and the next scheduled game. Any team that receives three warnings for unsportsmanlike conduct during a single game will forfeit the current game. Any team forfeiting two games during the regular season due to unsportsmanlike conduct will be excluded from the end of the season tournament. Unsportsmanlike Conduct is defined as, but is not limited to:

- Cursing. No person shall use vulgar, profane or indecent language on any public place or in any public hall, club, restaurant or other place open to the public. (1969 Code, § 17-14)
- Throwing equipment. A player must refrain from showing emotion by throwing/spiking equipment. This includes any equipment used or worn during competition. This could be a safety issue and will be classified as unsportsmanlike conduct.
- Disrespectful comments. Disrespectful or offensive words toward another player, a person in the stands, an official, or any other staff member will be considered unsportsmanlike conduct. (This will exclude friendly banter among teammates.)
- Any other action that may be deemed unsportsmanlike by an official.

Players, managers, coaches, etc., who are guilty of unsportsmanlike conduct will incur the following:

- Ejection from the remainder of the current game plus the next scheduled game. (In the event the ejected player plays on multiple nights, the suspension will only be enforced in the league the ejection took place. Exception: Any suspension lasting 3 or more games.)
- A second ejection during the season will result in an automatic suspension of three (3) games up to a maximum of twelve (12) months.
- Game suspensions will carry over from one season to the next, if necessary.
- Any participant ejected must leave the premises within five (5) minutes. The premises includes the field, parking lot, and at least 100 feet from the facility fencing. Failure to comply will result in a forfeit of the players’ team and if necessary, the police will be notified.
- Any verbal or physical abuse of an official or player is an automatic year suspension from all Department facilities, including the Civic Center, Library, Municipal Pool, Scarboro Community Center, and all City Parks.
- Any person receiving a suspension has the right to appeal, in writing, within a forty-eight (48) hour period. Appeals are to be directed to the athletic office with the Department.

FIGHTING

In an effort to maintain a safe and non-intimidating environment, there is a zero tolerance policy in regard to fighting. Punishments for fighting are as follows:

1. **First Offense:** Automatic one (1) year suspension from all Recreation and Parks facilities and programs and possible Police involvement.
2. **Second Offense:** Automatic three (3) year suspension from all Recreation and Parks facilities and programs and possible Police involvement.

2020 Spring Softball Rules
3. **Third Offense:** Automatic indefinite suspension from all Recreation and Parks facilities and programs and possible Police involvement.

All suspensions are subject to appeal and must be filed with the Recreation and Parks’ Athletics Department within forty-eight (48) hours.

**X. PROTESTS**

1. If you wish to protest a game, you must notify the plate umpire and official scorekeeper before the next pitch. A written protest will be submitted to the Athletics Office of the Recreation and Parks Department by 5:00 PM of the next business day after a protested game. A $25 protest fee must accompany the written protest. No protest money will be necessary in tournament play.

2. In all tournaments sponsored by the Department, the protest must be resolved prior to the next pitch of the game.

3. The only type of protest that may be filed is a rule interpretation. A judgment call made by an official cannot be protested.

4. All protests will be handled by the Recreation and Parks Department.

**XI. REFUND POLICY**

There will be absolutely no refunds once a team commitment has been made unless the specified league does not have enough teams to form.

**XII. RAIN-OUTS**

In the event of bad weather, players may call the Department Info Line at (865) 425-3453, sign up for e-mail alerts or check the Athletics Department’s Facebook page. Once a final decision has been made, the info line, e-mail line and our social media accounts @ORRecSports will be updated by 4 pm. If rain occurs after 5:00 PM, report to the field where the umpire will make the decision. It is each team's responsibility to make sure the umpire officially calls the game before leaving the park. When games are called because of inclement weather, the fields will be closed and unavailable for practice. Teams who do not comply with this policy could lose practice privileges for the remainder of the season.

**POSTPONEMENTS**

A game called by an umpire shall be regulation if four or more complete innings have been played, or if the team second at bat has scored more runs in three and one half innings (home team leading in the bottom of the 4th). The umpire is empowered to call a game at any time due to darkness, rain, fire, panic or any other cause that places the patrons or players in peril.

Games not considered regulation shall be resumed at the exact point where they were stopped. Teams must have the exact batting order as the previous game. If players are not able to make the continuation, subs must be inserted into those spots in the batting order.

**XIII. SCHEDULING**

Games will be scheduled at the discretion of the Recreation and Parks Department. NO games will be rescheduled due to individual team conflicts. The only games that will be rescheduled will be those cancelled due to weather, field conditions and City scheduling conflicts as determined by the Department. If significant weather postponements or other extreme scheduling conflicts arise, the Department may schedule league games on non-traditional days in order to complete league play. If such scheduling issues arise, the league supervisor will give as much advanced notice as possible as to the non-traditional reschedule.
Although softball is a non-contact sport, participants are warned that the possibility for injury does exist.
