1. Quorum was not present; minutes were not approved from the November 27, 2018 meeting.

2. Issues or concerns

A general discussion regarding city input meetings was held.

The Pennsylvania and Providence intersection, also known as Malfunction Junction, is difficult to contend with at night when it's raining. There are still long term plans for a roundabout there but not for at least 2-3 years.

3. Comments or questions on road work in the city

4. Additional business

Bill will talk to city clerk to see who was newly elected at the city council meeting.

5. Request for new business items or future briefings

6. Adjournment

The meeting was adjourned at 7:50 PM.
