TRAFFIC AND SAFETY ADVISORY BOARD
Minutes
November 27, 2018

The November meeting of the Traffic and Safety Advisory Board was held on Tuesday, November 27, 2018, in the training room of the municipal building (room 104). Meeting was called to order at 7:00 PM.

Present were:

Roger Flynn
Alexis Hammond
Halfen Hoyt
Jana Humphrey
Marty Adler-Jansy
Ilona Kaczocho
Melissa McMahan
William Polfus
Jane Shelton

Absent was:

Andrew Howe

Visitor:

Colin Loring

1. Minutes from the October 16, 2018 meeting were approved unanimously.
2. Issues or concerns

Since Andrew knew he would be missing the meeting, he sent an email regarding an issue he wanted discussed, that he'd called Roger about directly. The road cut on Michigan Avenue just uphill from the tennis court parking lot seemed extra deep compared to others. It's more than likely problematic due to the very precise angle of the turn on a slope and at the beginning of the slope and seems to hit your tires more directly.

Roger shared that he's talked with the contractor about fixing this.

Several board members had driven on Tennessee with the new asphalt and shared that it was rougher than before. Roger is not happy with the quality of the work and shared they have a meeting to discuss on 11/28/18.

Main street area was discussed, with the recent changes the planners are wanting to make, including removing the roundabout. Expectations for the area had included a landscaping plan, street furniture, sidewalk plan, etc. that do not seem to still be included or being discussed.

There's been a special meeting scheduled for 12/5 regarding the updated plans.

The city party is scheduled for 12/14/18 at 530 PM at the Marriott.

The leaf pickup plan was brought up; each year they alternate years, flipping if they start on the west end or east end of town. For those on the end of the pickup, it's slated for January. It was asked if there was any way to make that process faster.

Roger doesn't know what the contract looks like but it has been on this type of scheduling plan for many years.

An area on Robertsville was rezoned by request of the realty agent, to make it more marketable.

3. Comments or questions on road work in the city

We still see drivers struggling with navigating the roundabout.

City blueprint update: The draft plan will be added to the city website for public review and for input from the community.

We have several on the board that terms are expiring: Hal, Jana, Ilona.
Hal does not plan to continue; Jana is not sure, Ilona has plans to reapply.

All have until 12/28 to reapply.

4. Additional business

Some of the new work in the city is resulting in square curbs that seem to push you back into the traffic lane.

5. Request for new business items or future briefings

6. Adjournment

The meeting was adjourned at 8:05 PM.

Next meeting scheduled for 1/15/2019.
Elections in January for board positions.
