TRAFFIC AND SAFETY ADVISORY BOARD
Minutes
October 17, 2017

UNAPPROVED

The October meeting of the TSAB was held at 7:00 PM on Tuesday, October 17, 2017, in the training room of the municipal building (room 104). Meeting was called to order at 7:08 PM

Present were:

William Polfus, Jane Shelton, Melissa McMahan, Andrew Howe, Halfen Hoyt
Iona Kazocha, Marty Adler-Jansy

Absent was:

Jana Humphrey
Hannah Oran
Roger Flynn

1. Minutes from the August 15, 2017 meeting were approved unanimously.
2. Issues or concerns

Resident expressed concerns about navigating from her area of town in a motorized wheelchair from the Briarcliff/Hendrix creek area to the library and has difficulties with one intersection that she cannot reach the signal from her wheelchair.

3. Comments or questions on road work in the city

TSAB would like to be updated on the paving project process. Would be nice to have a preview each year of what will be paved.

4. City Blueprint Sessions

Bill shared hard copies of the East Side Residential and Palisades Subarea Response Cards and the Emory Valley/Briarcliff and Lakeview Residential Subarea Response Cards. TSAB skimmed through the entries for first glance, since these were all comments and not just TSAB items. The next area discussion is end of October.

5. Additional Business

Jane shared a drawing shared with the Planning Commission for the area that was formerly the retention pond at the corner of Tuskegee and Illinois. The traffic pattern laid out in the drawing seems to be rather confusing. At this time, Jane just needed general input regarding this initial attempt at the corner property.

Discussion around the terms on the board. Hannah is still on the board, she's serving as the high school representative for this coming term.

6. Request for new business items or future briefings

Take a look at the hard copy handouts from the latest community sessions, focusing on items that pertain to TSAB. Next meeting we'll go more in depth on these.

7. The meeting was adjourned at 8:06 PM.

Next meeting will be November 14, 2017 - date change from our normally scheduled meeting
