5) Additional business

There are some issues at the new branch of ORNL FCU on S. Rutgers. Due to double stripes still remaining on the road, left turns from the parking lot onto the road, and left turns from the road into the parking lot are technically unlawful. However, one may currently use the old parking lot entrance and swing around to the new branch parking lot until this issue is correctly resolved by a re-striping of S. Rutgers.

The meeting was adjourned at 7:30 pm.
