The last-named team is Home Team. *Each home team will provide one new Optic Yellow 12 inch .52 core ball with a compression of 300. The visiting team will furnish a good used ball with the same specifications.*

A team must have at least 9 players to start and finish a ball game. A 10<sup>th</sup> player can be added to the bottom of the batting order after the start of the game. If the 10<sup>th</sup> player is not added, there will be an out automatic out recorded in that batting slot.

A team can insert one or two additional hitters into its line-up before game time. The batting order must remain constant; however, any ten of the eleven or twelve players can take a defensive position throughout the game.

Although Softball is a non-contact sport, participants are warned that the possibility for injury does exist.
