

Volleyball League

2025 Rules

I. TEAM ROSTERS

- A. There is a MINIMUM of six members per team.
- B. Every participant, including non-playing Coaches, must sign an Oak Ridge Recreation and Parks Roster and Medical Release Form before he or she participates. These forms also serve as a notice of potential injury and a hold harmless form. The hold harmless agreement releases the Department and any other person connected with league play of any responsibility in the event of an accident.

Roster Deadline: Final regular season match.

Teams can add players through the last regular season match. However, to be eligible for the end of the season tournament, players must have been present at a minimum of three regular season matches. Once a player has been added to the roster and has played a game with that team, he or she may not play for any other team throughout the season. Players that have played two or fewer regular season matches will not be allowed to play in the tournament. Players must be present and on the official score sheet to be counted. If an opposing team forfeits, everyone CURRENTLY on the roster of the winning team will be granted a game played whereas the forfeiting team will receive a game not played.

II. PLAYER ELIGIBILITY

Coaches of teams are responsible for the eligibility of their players and are held accountable by the Recreation and Parks Department to furnish proof of eligibility. To be eligible, players must:

- A. be 14 years or older and must be currently enrolled in high school, if less than 18. Teams may be completely comprised of players younger than 18, but one adult coach over the age of 21 will be required to be present at all matches.
 - i. Teen participants and his or her legal guardian must complete additional documentation. These documents are available by contacting the league supervisor.
 - ii. All coaches that have a player under the age of 18 on the roster, must also complete additional paperwork and an online training course (roughly 20 minute course).
 - iii. Adult players may sign the waiver/roster form at the court before his or her game. Teen players must bring all necessary forms signed by his or her guardian in order to play that night's games.
- B. be able to verify identity.
 - i. Upon request, all players must produce photo identification. If a player refuses to show his or her ID, the game can be protested and if upheld, will be declared a forfeit. If the issues can be resolved on the court, the officials should attempt to do so. If the issue is not resolved, a protest must be filed.
 - ii. Further information regarding protests may be found in section X.

III. REGISTRATION

Upon deciding to register a team with the City of Oak Ridge, Coaches will need to fill out a registration form and pay the team fees (Checks payable to: City of Oak Ridge). Once this is completed, the League Director will contact you via e-mail with additional information. Please note that no refunds will be issued once a team commitment has been made unless the league does not form.

IV. SCHEDULES

- A. **Regular Season Schedule.** Eight (8) regular season matches consisting of three (3) games each will be scheduled at the discretion of the Recreation and Parks Department. No games will be rescheduled because of individual team conflicts. The only games that will be rescheduled will be those caused by weather or gym conflicts.
- B. **Make Up Games.** In the event of inclement weather or a gym conflict, regular season games will be rescheduled as soon as possible and passed along to the Coaches and to social media. Excessive postponements may be canceled by the League office.
- C. **League Information.** All league info including postponed games, standings, and schedules may be found on our website or on social media @ORRecSports.
- D. **League Champion.** League Champions will be determined by the end of season tournament. Regular season play will determine tournament seeding. Please see Section X for seeding information.

V. FREE AGENCY

Registration. Individual players looking to play, but not having a team may sign up as a free agent. Small groups are also welcome. Free agents have a custom Roster Form they will need to sign. If enough free agents sign up to make a team of their own, a Coach will be appointed and fees will need to be collected.

Acquisition. Free agents are eligible for acquisition by teams in their assigned division at any point during the season. Once a free agent has been acquired by a team, they become a member of that team for the remainder of the season and will be removed from the free agency list. They are thereafter ineligible to be acquired by another team in that particular league. Free agents are added to teams strictly on a first-come first-served basis and must still be at three games to be eligible for the end of season tournament.

To acquire a free agent, coaches must contact Recreation and Parks Department to obtain information on any available free agents.

VI. LEAGUE RULES

- A. Leagues will be governed by the playing rules of the current USAV Volleyball Guide. Exception: Local league rules will supersede USAV.
- B. Match time is forfeit time. A 10-minute grace period will be given for the second game. If the second game is also forfeited, an additional 10-minute grace period will be given for the third/final game. Only the first match of the evening will be given a 5 minute grace period before the game is called a forfeit. If four eligible players (two must be women) are available at game time, the game must start on time. If neither team meets this requirement at game time, the game will be ruled a double forfeit with both teams receiving a score of 0 on the scoresheet.
- C. **Warm-up period.** Teams will be allowed a 5 minute warm up at the start of each match.

- D. **Gameplay.** A team may start with four or five players. At least two players must always be female, regardless of the number of players on the court. The 5th and 6th players may be added (or dropped, without penalty) at any time during play. Teams may consist of all women.

- K. At the moment of the service hit or take off for a jump serve, the server must be completely in the service zone and not touching the court (end lines included).
- L. The service zone is the area behind and excluding the end lines (29'6" wide). The zone extends back to the wall/bleachers.
- M. Back line players may attempt an attack-hit but must be behind the front zone line (10' line) before take-off.

- V. **Out of play.** The ball is considered out of play when it contacts an object outside the court. It is also out of play if it passes outside the antenna or if it touches the antenna, rope, posts or supporting apparatus. A ball is out of play if it hits the ceiling and crosses the net.
